Minutes:

ACTING CHAIRMAN GOYNES declared the Public Hearing open.

PLANNING COMMISSION MEETING OF: DECEMBER 20, 2007

ANDY REED, Planning and Development Department, stated the request is a self-imposed hardship and recommended denial.

JIM MARTIN, 175 Cassia Way, Suite A111, Henderson, appeared on behalf of the applicant. He explained the applicant would like to construct a three-car garage which would encroach three feet into the side yard setback.

MR. MARTIN informed COMMISSIONER STEINMAN that the affected neighbor supported the requested and submitted the letter of support for the record. COMMISSIONER STEINMAN explained that he wanted to make sure the neighbor was aware of the variance requested and observed that the proposed buffer should be adequate.

ACTING CHAIRMAN GOYNES declared the Public Hearing closed.
